PROFILE

Results-driven Digital Media Buyer & Performance Marketing Specialist with over 3 years of experience executing and optimizing paid campaigns across Meta, Google, and YouTube Ads. Proven ability to drive high-performing campaigns, improving lead generation, conversions, and return on ad spend (ROAS) through data-driven strategies.

Experienced in supporting international clients, particularly in the UK market, delivering campaigns in structured, performance-driven environments. Skilled in leveraging real-time data, continuous optimization, and automation tools to achieve scalable and efficient marketing results.

WORK EXPERIENCES

Digital Media Buyer & Ads Specialist

Teams by Desiign October 2022 – Present

- Execute and optimize paid campaigns across Meta, Google, and YouTube Ads
- Manage full campaign lifecycle including audience targeting, scaling, and performance tracking
- Analyze key metrics (CPL, ROAS, conversions) to improve campaign performance and efficiency
- Refine audience targeting strategies to increase lead quality and conversion rates
- Collaborate with global and cross-functional teams to align campaign performance with business objectives
- Utilize automation tools (Zapier, GoHighLevel) to streamline campaign workflows and lead management
- Optimize creatives, messaging, and campaign content to improve engagement and conversions

KEY ACHIEVEMENTS

- Generated 500–600+ leads per campaign with cost-per-lead as low as £1.85–£3.19
- Delivered ROAS ranging from 11x to 50x+ across multiple campaigns
- Contributed to campaigns generating £30,000–£80,000+ revenue from optimized ad spend
- Supported an organisation producing 100,000+ leads annually across client accounts
- Helped scale operations from 0 to 50+ active clients through structured campaign execution
